Resolution of the Special Meeting of Anti Ragging Sub-Committee held on 14/09/2021

In the special joint meeting of the Anti Ragging Sub-Committee held today on 14/09/2020 at 7 pm via Google meet platform the following observations/resolutions were made after discussing on the agenda given as:

1. To discuss/report the functioning of both the committee since the inception of the New Teachers' Council and its Subcommittees.

The convener of the body said that no cases of ragging of any kind were reported to the respective Cell or Committee or to any of its members since this committees became effective on April 16, 2019 after the formation of the New Teachers' Council to 16 March 2020. Therefore, no meeting of the Cell was convened during that period. It is also reported to the house that nor were any such cases reported after the lockdown started in March owing to the Covid 19 Pandemic.

The house resolved that since there are very less chances of occurrence of cases of ragging whatsoever during this closure period, it is still resolved that if any such allegations are reported by any chance even during this period and also after the opening the College, the Cell will handle the issues with utmost seriousness and take all possible steps.

2. Misc. Nothing discussed.
