**Sub: Request for permission for excursion of the Students of the Department of Economics to Ghatshila**

Dear Sir,

With reference to our verbal discussion, I would like to inform you that, the department of Economics, Maharaja Manindra Chandra College, has scheduled a two day excursion of the students of Economics Honours on 4 th & 5 th of May, 2023 ,to Ghatshila. Parents of all the students joining the excursion have given their consent in writing for the same. Four faculty members, Dr.Susmita Chatterjee, Prof. Anamitra Mondal, Prof. Subham Laha and myself will accompany the students.

I would request you to grant permission for the excursion and sanction leave- on- duty for the four faculties for 4 th April 2023 for accompanying the students.  
Your cooperation in this regard will be highly appreciated.

Thanks and regards

*Sutapa De. 2/5/23.*

## **Exploring Ghatshila - An Educational Trip**

An educational tour to Ghatshila was arranged by the Department of Economics and Statistics of Maharaja Manindra College from 04.05.2023 to 05.05.2023. A group of 34 students escorted by four teachers joined the educational trip. Ghatshila is a town in the Ghatshila CD Block in the Ghatshila subdivision of the East Singhbhum district in the Indian state of Jharkhand. It is 45km from Jamshedpur and is located in the bank of the river Subarnarekha. Ghatshila has its diversity with dams, falls, rivers, forest, mountains and valleys. Hindustan Copper Limited is located at Moubhandar, Ghatshila. This picturesque town, located in Jharkhand, offered a unique learning experience focused on understanding the local people, tribal inhabitants, their occupational structure, internet facilities available to them, and the current situation of the mining industry. The trip not only provided educational insights but also allowed the students to immerse themselves in the beauty of nature.

### **Survey and Study of Local People:**

One of the primary objectives of the trip was to conduct a survey and study the local people of Ghatshila. The students, under the guidance of their teachers, interacted with the residents to understand their socio-economic background, occupation structure, and the challenges they face. This experience provided the students with valuable insights into the lives of the locals and helped them analyze the economic conditions prevalent in the area.

### **Exploring Tribal Inhabitants:**

Ghatshila is known for its tribal population, rich in cultural heritage. The students had the opportunity to interact with the tribal inhabitants, learning about their customs, traditions, and way of life. This interaction allowed the students to gain a deeper understanding of the tribal communities' economic activities and their unique contributions to the region's cultural diversity.

### **Internet Facilities and Technological Penetration:**

As part of their study, the students assessed the availability and utilization of internet facilities in Ghatshila. They conducted surveys and interviews to gauge the accessibility and impact of digital connectivity on the local population. This study shed light on the role of technology in bridging the

digital divide and its influence on various sectors, including education, business, and communication.

### **Present Situation of the Mining Industry:**

Ghatshila is known for its rich mineral resources and the presence of mining activities. The students explored the present situation of the mining industry in Ghatshila, conducting field visits. This study provided them with insights into the economic significance, environmental concerns, and socio-economic impact of mining activities in the region.

### **Visiting Local Landmarks:**

The educational trip also encompassed visits to various landmarks in Ghatshila. The students had the opportunity to explore Bibhutibhushan Bandhopadhyay's house, the residence of the renowned Bengali writer. They also visited Burudi Lake, Ramakrishna Mission Math, Phuldungri Hills, and the historically famous Rankini Temple. These visits not only offered cultural enrichment but also allowed the students to experience the beauty of nature and indulge in activities like trekking and mountain exploration.

### **A Unique Experience in the Lap of Nature:**

The trip to Ghatshila provided the students with a unique experience in the lap of nature. For many students, it was their first encounter with trekking and visiting mountains. The breathtaking landscapes, lush greenery, and serene environment offered a refreshing break from the urban setting. This experience in nature helped foster a sense of appreciation and concern for the environment among the students.

### **Conclusion:**

The educational trip to Ghatshila proved to be a memorable and enriching experience for the 34 students and their teachers from Maharaja Manindra Chandra College. Through surveys, interactions, and field visits, they gained practical insights into the lives of the local people, tribal inhabitants, internet facilities, and the mining industry.
