Sub - Proposal for Industrial visit with LIVE market from Bombay Stock Exchange Institute Ltd.

Respected Madam,

It gives me immense pleasure to introduce BSE Institute Ltd (BIL), a wholly subsidiary of BSE (Bombay Stock Exchange) Limited. The BSE Ltd (Formerly known as Bombay Stock Exchange) is the apex & the oldest established stock exchange in India. BSE Ltd is the world's biggest stock exchange in terms of listed companies. With a legacy of more than 148 years BSE Ltd is Asia's first and the world's fastest stock exchange with the speed of 6 microseconds.

BSE Institute Ltd. inherits from BSE, the knowledge and insights into the capital markets industry, garnered over the past 148 years. BIL is a 100% wholly owned subsidiary of BSE Limited. BIL conducts a wide range of programs ranging from 1 day workshops to 2 years full time programs exclusive in financial markets. Over the last 10 years, BSE Institute Limited, Kolkata is instrumental to bring out the best of the talent by pushing them to train and excel in their chosen field of Financial Services Industry.

Financial literacy is now one of the top priorities for most nations. As per a global survey by Standard & Poor's Financial Services LLC (S&P) India is home to 17.5% of the world's population and nearly 76% of population does not understand even the basic financial concepts.

However, to distribute the ocean of knowledge in financial sector to the young generation of your esteemed Institution we are inviting the faculties and students of your department in our campus for a industrial visit with LIVE market. This seminar will be helpful for the students who are willing to make their career in financial market.

We request you to attend the Seminar on Financial awareness with LIVE market or on any related topic on Finance within a stipulated time frame of approx 1.5 hours at our premise of BSE.

Thanking you  
Yours faithfully,  
Tirtha Pratim Saha,  
BSE Institute Ltd.  
Kolkata

## **An Educational Visit to Bombay Stock Exchange(BSE), Kolkata .**

In an era of machine learning and artificial intelligence, securing a promising career has become more important than ever. To equip students with the practical knowledge and insights into the financial world, a group of 42 students accompanied by two teachers from the department of Economics, Maharaja Manindra Chandra College, Kolkata embarked on an educational visit to the Bombay Stock Exchange (BSE), Kolkata on 13<sup>th</sup> April, 2023.

This visit aimed to provide a comprehensive understanding of the stock market, its functioning, and the potential career opportunities it holds.

We all know that located in the financial capital of India, the Bombay Stock Exchange is Asia's oldest and one of the largest stock exchanges in the world. It plays an important role in the Indian economy by facilitating the trading of various financial instruments, including equities, stocks derivatives, commodities, and currency.

The primary objective of this educational visit was to expose the students to the practical aspects of the stock market, enabling them to grasp the minute details of trading, investment, and the overall functioning of the financial industry. Additionally, the visit aimed to inspire and motivate students to consider career paths in the finance sector, with a focus on secure job prospects.

The students were provided with a live working of the Bombay Stock Exchange including the trading floor, where they witnessed live trading sessions. This firsthand experience offered them a glimpse into the atmosphere and the fast-paced nature of the stock market.

The students also had the opportunity to engage in interactive sessions with market experts, including brokers, traders, and analysts. These professionals shared their experiences, insights, and knowledge, shedding light on the risks and gains of stock market operations and the skills required to excel in this domain.

Informative presentations and workshops on topics such as investment strategies, risk management, and market analysis and the question answer

session was highly enlightening for the students. These sessions helped broaden their understanding of the financial sector and its potential career opportunities.

The visit provided students with practical insights into the functioning of the stock market. This knowledge can be invaluable in pursuing careers in finance, investment banking, securities trading, and related fields once they complete their graduation.

Building connections in the finance sector can be instrumental in securing internships, job placements, and mentorship opportunities in the future. By witnessing the diverse roles and responsibilities within the stock exchange, students gained clarity on various career paths available in the financial industry too. They would be able to explore roles such as financial analysts, investment bankers, risk managers, and stockbrokers, which can provide secure and well-paying job prospects.

The educational visit to the Bombay Stock Exchange, Kolkata, really proved to be an enriching experience for the 42 students from Maharaja Manindra Chandra College. It provided them with practical exposure to the stock market and the finance industry enhancing their understanding and paving the way for secure job prospects in the future.
