The Department of Economics, Maharaja Manindra Chandra College, organized the “Sankarkanti Dasgupta Memorial Lecture” on November 26<sup>th</sup>, 2022. The event took place in the college’s academic hall. The topic of the lecture was “Indian Economy: A Review After 75 years of Independence,” and the speaker was Dr. Debashis Mazumdar, Head of the Department of Economics at The Heritage College in Kolkata. Sri Ashok Chaudhuri, the former Principal of MMC College, served as the chairperson for the event.

Late Sankarkanti Dasgupta was a distinguished teacher and an eminent writer. He was one of the founding members of “Kolkata Nagorik Sammelan” and a member of “Paschimbanga Ganatantrik Lekhok Shilpi Sangha”. He dedicated forty-two years of his life in serving MMC college from 1953 to 1995. Some of his famous books include “Marxian Economics – A Study”, “What Marx Never Meant - মার্কস কখনো যা বলেননি,” “সমাজতন্ত্রের পথে চীনের জয়যাত্রা,” and “মার্কসবাদ - তত্ত্বে ও প্রয়োগে”, among others.

It's an honour for the Department of Economics, Maharaja Manindra Chandra College, to organize a seminar in memory of such a great personality. The chosen topic was highly relevant, and all the teachers and students present were enriched and captivated by Dr. mazumdar’s wonderful and informative talk delivered in a lucid language.
