Green Farewell Ceremony

On June 2nd, 2023, a farewell ceremony was organized by the students of the 2nd and 4th semesters of Economics Honours of Maharaja Manindra Chandra College for the 6th semester students. The theme of the ceremony was "Green Farewell", keeping in mind the importance of environmental sustainability and conversation of mother earth.

The ceremony commenced with the college principal inaugurating the event by watering a plant, symbolizing growth and making our world green. The other teachers present also followed suit, participating in this green initiative. As a token of appreciation, the teachers were felicitated with flowering plants, signifying love for our Mother Earth and a sustainable further for the next generation.

The farewell ceremony was filled with numerous emotional moments as the students bid farewell to their seniors. It was a nostalgic occasion as the students shared their journey of three years in both online and offline modes during the COVID-19 pandemic. They expressed their gratitude for overcoming challenges and supporting each other throughout the difficult times.

The event featured various performances, including dances, songs and recitations which added a touch of creativity. The students showcased their talents and expressed their feelings through these artistic expressions, making the occasion more memorable.

During the farewell, the students made a collective vow to become exemplary students and bring glory to their college. They pledged to excel in their academic pursuits and contribute positively to society, aiming to make their institution proud.

Overall, the farewell ceremony organized by the students of Maharaja Manindra Chandra College, Department of Economics was a heartfelt event filled with emotions, performances and shared memories. It served as a loving conclusion to the students three years journey and marked the beginning of a new chapter in their lives.
