## ACADEMIC AUDIT REPORT OF MAHARAJA MANINDRA CHANDRA COLLEGE 2020-21

Report generated by the Academic Audit Committee of the college Comprising of the following members:

Name of the Members:

1. Dr. Manturam Samanta. Principal, MMCC.
2. Dr. Shyamal Chakraborty. Principal, Maharaja Sris Chandra College.
3. Dr. Partha Dutta. IQAC Co-ordinator, MMCC.
4. Prof. Krishnapada Dash. Associate Professor, Maharaja Sris Chandra College.
5. Dr. Surajit Sengupta. Assistant Professor, Bhairab Ganguly College

This academic audit was conducted on 15.05.2021 of all the departments based on questions related to criterion wise status of each individual department.

The report is prepared according to seven broad categories:

1. Academic planning
2. Teaching methods & student enrolment
3. Infrastructure & learning resources
4. Student progression -
5. Governance & Leadership
6. Best Practices.

### **1. Academic planning**

Almost all the departments have followed the academic calendar of university.

Almost all the departments have recorded teachers' activity regularly;

In case of students, students' satisfaction survey have been conducted online, all the departments were advised to work on it, wherever required, for better result.

### **2. Teaching Learning**

As most of the period of this year was under lock-down both online and offline teaching was conducted.

Some of the departments have adopted one or two unique methods of teaching, such as using smart classroom, remedial teaching, and guidance for job opportunities. Almost all the departments, except a very few, have mentoring group of students under the mentorship of teachers.

### **3. Infrastructure & Learning Resources**

We have stand-alone laboratories for both honours and general students, in Physics, Chemistry, Botany, Zoology, Mathematics, Computer Science and Journalism departments.

ICT enabled class rooms are used by Computer Science, Mathematics, Commerce, Chemistry and Economics.

During the pandemic period, most of the teachers used different platforms like Google Classroom, Google Meet, Zoom platforms to deliver lectures for covering topics.

Many webinars on interdisciplinary subjects were held during the year in online mode. Courses on DSE for several subjects was held in both online and offline mode.

### **4. Student support and progression**

Student placement records are best maintained by Placement Cell..

### **5. Governance & Leadership**

Records of Refresher Courses, Orientation Courses as well as different short term courses are all maintained by the respective department. ,

## 7. Best Practices:

We have advised all the departments to prepare their respective SWOT analysis and initiate any waste management as well as green initiative taken up by them. \

## Recommendations:

It is recommended that lesson plans should be arranged and shared with the students prior to the beginning of each course by the respective teacher. This is not practiced by most of the departments.

All the departments are advised to keep records of internal/ tutorial assessment as well as course program outcomes. '

All the departments are advised to keep the student progression data as far as possible.

The college can produce the documents, if required.

An energy audit is an inspection survey and an analysis of energy flows for energy conservation in a building. It may include a process or system to reduce the amount of energy input into the system without negatively affecting the output. The primary concern of the energy audit is to provide the best ways to reduce energy consumptions in any building while simultaneously maintaining or improving human comfort, health and safety. The energy use of a building can be expressed through the analysis of the electricity consumption (in units) of that building.

In case of the three buildings of Maharaja Manindra Chandra College, the following trend of consumptions has been observed:

**Electricity Consumptions (in unit) from June 2020 to May 2021:**

	68, Bhupen Bose Avenue, 700004	20, Ramanto Bose Street, 700003	23, Ramanto Bose Street, 700003
Month	Energy Consumption	Energy Consumption	Energy Consumption
June, 20	280	10612	724
July, 20	185	3548	250
August, 20	149	639	600
September, 20	2084	1433	147
October, 20	350	2589	257
November, 20	334	1598	785

**Total Electricity Consumptions (in unit) in 2020-2021:**

## Comments:

A drastic drop is observed in the total electricity consumption in the period from June 2020 to May 2021. Such a reduction is quite obvious as the usual activities in the college buildings were totally restricted due to COVID pandemic and lockdown.

## Suggestions and Recommendations:

It may be noted here that in pre-pandemic time, the electricity consumption of college buildings were quite high. In this context, it can be recommended to use renewable energy as alternative source of energy in the college. Use of LED lights as well as other energy saving measures can also be adopted to reduce energy consumption while maintaining the usual activities of the college.
