Sub: Invitation to the students and the Teachers of your institution for participating in the Youth Conference to be held at Ramakrishna Math, Baranagar

Respected Sirs / Madam,

The blessed Ramakrishna Mission is named after Sri Ramakrishna Paramahansa Deva and founded by his Chief Disciple Swami Vivekananda on 1st May, 1897. The organisation has gracefully completed its 125 years in the year 2022 and to commemorate the auspicious occasion of 125th Anniversary of the Ramakrishna Mission, Youth Conference to be observed at various centres of Ramakrishna Sangha throughout India and also at Belur Math, HQ of Ramakrishna Mission as concluding All India Youth Conference.

Accordingly, the Baranagar Math Centre has been assigned the responsibility to organize Youth Conference at the branch level to induce the young minds with the ideals of Swamiji's teachings for their educational, cultural, social and spiritual developments.

It has been decided to organise Youth conference at Baranagar Math on 3rd September 2023. Registration will start at 9 a.m. Programme will start on 10 a.m. There will be refreshment before starting of the programme and it will end at around 4.30 p.m. There will be a lunch break at noon time.

We believe the students attending the seminar will be benefitted immensely. The lectures will be delivered by the Monastic members of the organisation as well as by the worthy educationist to inspire the students to educate themselves how services to the Nation should be the focus of their lives in addition to their basic education.

The age of the all participating students (both boys and girls) representatives of your institution would be 18 years and above. The students may deliver lecture in the occasion and the chosen student(s) will be delegated to join in the concluding function at Belur Math, Headquarters. There will be arrangements for morning refreshment and lunch on that day at Baranagar Math.

We expect all-out co-operation from your end to send at least 10..... students (both boys and girls) from your institution to participate in the programme. The Teacher representatives are also invited to join in the programme with the students. You may contact with our representatives Swami Sarvapremananda (Manager) and Smt. Chaitalii Bhattacharya (Teacher -in- Charge of our School Unit II) on their mobile no. 9123393057 and 7003787733, respectively or e-mail (baranagar.math@rkmm.org) us to discuss further details of the programme.

With best wishes and Namaskar.

Yours in the Lord,

(Swami Vamananda)

Adhyaksha
